## Segreteria

Dear brethren and friends,

The peace and joy of our Lord Jesus be with you! We have good news for you all!

Italian Field, in cooperation with General Conference (GC) Music Committee, is glad to invite you to the 2023 International Music Conference, in Toscana Region, which will be held from **July 31<sup>st</sup> to august 6<sup>th</sup>, 2023**. This Conference, dedicated in special way to our musicians of all parts of the world, will coincide during the last days with Italian Spiritual Field Conference. From Monday, July 31<sup>st</sup> to Friday august 4<sup>th</sup>, singers and instrumentalists are invited to join the GC International Orchestra for some days of intensive rehearsals in order to produce high quality audio and video recordings to be used as a tool for missionary outreach, as well as to perform free sacred concerts for the public.

We will spend this unique week in reflexion about God's Word, during the morning and the evening, and free time in the picturesque nature of Toscana Region.

"The melody of song, poured forth from many hearts in clear, distinct utterance, is one of God's instrumentalities in the work of saving souls" (5T 493).

"Rightly employed, music is a precious gift of God, designed to uplift the thoughts to high and noble themes, to inspire and elevate the soul... It forms a part of God's worship in the courts above, and we should endeavor to approach as nearly as possible to the harmony of the heavenly choirs. The proper training of the voice is an important feature in education, and should not be neglected." (PP 594).

**Beginning from Friday 4<sup>th</sup> august evening to Sunday 6<sup>th</sup> august it will be held Italian Field Conference, this year united with International Music Conference.**
